

Good Orderly Design

When life doesn't look like what you want, how can you see it instead as good orderly design or as God in action for your benefit? Explore and discover different ways of thinking by stepping into new methods of being. This weekend you will create a new paradigm for change that has the potential to enrich your life. Jesus leaned into the Spirit, as we will, too.

June Dillinger is an inspirational speaker, author and personal growth coach. Now a 42-year resident of Hawaii, she has hosted a TV show, is a licensed Unity teacher, and the author of the best seller, *The Benefit of the Ex— Making Love Visible When Everything Changes*. June's current passion is working with Heart Cards, a deck that serves as a powerful, entertaining and insightful tool for self-transformation.

The Gathering

Come with us on a spiritual retreat the weekend of January 13-15 at San Vicente Resort. Enjoy the whole weekend, overnight on Saturday, or come for the day on Saturday. Please consider coming for the entire weekend to maximize the opportunity to get better acquainted with old friends and new.

Take a spiritual walk and nourish your soul in a supportive fellowship — away from the hectic stress in your life.

Think of inviting other women you know who may want to attend--- a special friend or family member.

We hope to see you at the Retreat!
